*When the peace of Christ rules in our hearts,  
thankfulness overflows. Even in the darkest of times,  
we can praise God for His love, His sovereignty,  
and His promise to be near us when we call.*

*Psalm 145: 18*

Thank you, Lord, for your peace that transcends  
understanding and your love that endures forever.

Amen!

October 20, 2020

Greetings:

I pray this letter finds you healthy and well. Eau Claire Cooperative Health Center, Inc. (dba Cooperative Health), a non-profit community health center, remains devoted to our mission of providing quality health care services in the spirit of the Good Samaritan. For nearly 40 years, we've delivered primary and preventative health care services to South Carolina's most marginalized populations residing in the Midlands. In 2019, more than 61,000 individuals entrusted us with their health care needs, of which 96 percent are at or far below the federal poverty level.

This year, our patients faced even more distress and financial strains with the pandemic. With the growing instability of our nation's economy the holidays may not be warmly welcomed. We want to provide a little warmth during these unstable times by planning a Thanksgiving dinner for residents of the communities we serve.

On Thanksgiving Day, November 26, 2020, we will open Cooperative Conference Center located at 169 Laurelhurst Ave. to serve and cater a warm Thanksgiving meal to those in need. Adhering to social distancing guidelines from the CDC and SCDHEC, participants can either dine in, dine out or have a meal to go. We are reaching out to you to help make this Thanksgiving memorable for those in most need.

We kindly ask for a tax deductible monetary contribution (Federal Tax Identification Number: 57-0965445) and/or in-kind donation (see below for requested item list) to help offset the cost of the dinner. If your organization would like to donate, please contact **Jennifer Glover-Hawkins, Director of Public Relations**, at [jglover-hawkins@cooperativehealth.org](mailto:jglover-hawkins@cooperativehealth.org) or by phone at (803) 210-9588, or me at the information below.

We look forward to your support in assisting us with caring for our communities. Thank you for your consideration.

Sincerely,

Yvonne Ware  
Community Outreach Coordinator  
Email: [yware@cooperativehealth.org](mailto:yware@cooperativehealth.org)  
Phone: (803) 803-727-5130

Requested in-kind contributions: turkey breast or legs / canned green beans / stuffing / potatoes, boxed or fresh / cranberry sauce / gravy / desserts / tents / folding chairs / folding tables / plates / silverware / linen napkins *(All in-kind food contributions need to be unprepared upon donation.)*

## Connecting with the Evans Family

The daily family life of Ashley and Jonathan Evans is much like that of other young families within LUMC. They continually balance the joys and challenges of raising active young children, with many other personal and family responsibilities. In recent months, they have also had to adapt and balance the changes that have occurred with the COVID pandemic.

The Evans family has lived in Lexington for 14 years, and they have been members of LUMC since 2008. Ashley, a Clemson graduate, arrived here by way of Greenville, SC. Jonathan is from Richmond, Virginia and attended the University of Richmond. They both moved to Columbia, SC shortly after college. It was obviously a great move for both, as they met and were married at Shandon United Methodist Church. They have two children, Carter (13) and Laurel (10). Prior to becoming a stay-at-home mom when Carter was 3, Ashley worked in printing, advertising, and printing paper sales. Jonathan is an assistant treasurer and manages several different departments at Dominion Energy.

Ashley and Jonathan are very involved in ministries and activities at LUMC. They are in the Reconciling Ministries Covenant Group, which they consider to be a very important part of their family church life. They also are members of the True Believers & Disciples Sunday School Class. Ashley is a member of the F.A.I.T.H. Circle and helps with many UMW (United Methodist Women) projects. She has served faithfully in many other LUMC programs/projects, including VBS and the coordination of the church directory. Jonathan was the Cub Master of LUMC Pack 507 for four years, and he is now involved in the Boy Scouts program at the church. Ashley and Jonathan love LUMC as their church home, and they feel their family has thrived here over the years. They are pleased that LUMC provides an amazing support system and circle of friends who share ideals similar to those of their family.

The Evans kids also stay active and very busy. Carter attends Meadow Glen Middle School, and is on the River Bluff High School Cross Country team. He is in the Boy Scouts program at LUMC, and he has been in Scouting since he started as a Cub Scout in the 1<sup>st</sup> grade. He is also in his second year of participating in the Youth Group at church. Carter also enjoys tennis and playing on the Xbox. His younger sister, Laurel, is a student at Meadow Glen Elementary School. She absolutely LOVES dancing, especially ballet. She also enjoys cooking and working with crafts. As a family, they like the mild SC weather, and they can often be found enjoying outdoor activities. They enjoy travel, as well as spending time with family, friends, and their pets—two dogs and a bearded dragon!

The COVID pandemic has, of course, led to changes in the Evans household. However, they all have adjusted, and things are working well for their family at this time. Jonathan will be working at home, at least through the end of the year, and the kids are attending all virtual school. As a family, they have found many blessings during this time of 'slowing down' and spending more time together. They have learned to cook new things that they never had time to try before—even homemade pasta! There's been much more time to enjoy walking trails, kayaking, paddle boarding, & swimming. Ashley feels that the pandemic has put so many things in perspective. She says their hearts go out to those who have suffered and lost loved ones. And her hope is that her own family, as well as others, can continue to slow down and prioritize the things in life that matter the most.

*Make Christmas Merry!*

## Opportunities to Make Christmas Merry!

There are at least 3 opportunities for our members to brighten the Christmas season for children who are less fortunate.

The **Angel Wish** program is a chance to provide a gift to children at Epworth Children's Home. Lori Torbett is so dedicated to helping the children at Epworth. For additional info from Lori 803-629-7126 [Ldtorbett@gmail.com](mailto:Ldtorbett@gmail.com)

The **Angel Tree** program is a chance to provide a gift to children who have an incarcerated parent. Rachel and Matt Buchanan are coordinating the Angel Tree program for LUMC. Be on the lookout for information on how you can participate in Angel Tree.

**Operation Christmas Child** Shoebox Ministry is already taking off. Shoeboxes can be picked up at the church and filled with items for a child of a specific age and then returned to the church. Vicki Boylston is your contact for this Ministry. [vboylston@aol.com](mailto:vboylston@aol.com)

*Please participate in one, two, or all three of these opportunities.*

Operation Christmas Child shoeboxes are available at the church outside of Wesley Hall and outside of the main office for those who would like to participate. This ministry is sponsored by the Samaritan's Purse organization. It provides a great opportunity for us to ***Live God's Word*** and ***Share God's Love*** with children in need around the world. It's as simple as

packing shoeboxes with small gifts that will delight children and bring them hope. And with the Coronavirus pandemic, now more than ever, children need to feel love and hope. The label for each box can be found inside the box. Labels should be attached to the filled boxes, but it is not necessary to 'activate' them as shown (unless you would like to track your box to its final destination). Please enclose a check for \$9 for shipping, & return it to the church by **Tuesday, Nov. 10th**. Thank you!

## Epworth Children's Home Angel Wish Mission

Hello LUMC family! It is beginning to look a lot like Christmas! We are finally getting a little chill in the air...and Epworth Children's Home Angel Wish mission is underway! The mission will work the same. If you would like a "wish" email or text/call me and I will give you an item to purchase (you are committing to that particular item). I can give assistance on where to purchase if you need help. You can also choose to donate money and we can purchase items for you. However you wish to participate is so very much appreciated! As we all feel like "fish out of water" these days and very disconnected, these kids I am sure feel it even more so with whatever family or life situation placed them with the Epworth Children's Home. Let's do what we do best...and that is giving these kids/young adults the best possible Christmas! Again, please let me know as soon as possible if you would like a wish or if you plan to donate for us to shop for you! Once I hear from you, I will begin signing up for wishes!

Much love and blessings,

Lori Torbett

## *What is a Prayer Shawl?*

As Christians, when sickness, tragedy, or accidents happen to those we love, or even strangers, our first response is to pray and ask God to heal and help those in need.

Prayer Shawls have a way of bringing comfort and healing to those in need as well as the person making the shawl. With each stitch that is created, repetitive prayers are being said for the person who is to receive the shawl. When the shawl is received, the person who wears it will know so many people love them and are praying for them to be healed and helped in whatever ways they need. This repetitive action of praying also brings peace to the creator of the shawl.

If you or someone you know needs a prayer shawl, please stop by the church to pick one up. We ask if you take one, please sign the clipboard with your name and recipient's name.

They are located in room 154 in a cabinet with a sign that says "Blessed Prayer Shawls". If you don't know where room 154 is, please stop by the office and they'd be happy to show you.

If you are in need and are unable to pick one up, please contact Jeannie Ridgeway 803-261-4249.

Many Blessings,

*The Prayer Shawl Committee*

**BLESSING BOX MINISTRY** We have been busy keeping the Blessing Boxes stocked with food during the month of October. We do not limit access to our food boxes.
