PASTOR KIM WOULD LIKE TO GET TO KNOW YOU!

Quite obviously, with a global pandemic still in circulation around the world and within our community, it's been a little more difficult to "get to know" the good people of LUMC through the "normal" means of home visits. Additionally, because of the wide gamut of "perspectives" folks have about the "virus situation" it's difficult to discern the level of "safety comfortability" of each person.

Consequently, I am extending this invitation to you! If you are comfortable EITHER coming to church to share a personal visit OR hosting me in your home for a pastoral visit, I would be delighted to spend some time getting to know you!

In light of ongoing concerns about health and safety, please know that if we are sharing a visit at the church, LUMC is continuing to uphold the CDC's suggestion of a mask ordinance. Similarly, if you would like me to visit you in your home, I am also VERY COMFORTABLE wearing a mask in all settings which require interactions with others. So you need not be worried or concerned about asking me to "remain masked" if I am visiting you in your home.

I look forward to hearing from you as we plan our "get to know you" visit. My cell number is: 843/685-3659. Please call anytime – and if I don't answer immediately, please leave a voicemail so that I can get right back to you!
