CONTINUING TO STAY CONNECTED

I just wanted to extend a continuing invitation to the LUMC family to get together and get to know each other - on your schedule and on your terms! I have been thrilled to be able to be in fellowship with many of you over this past month through home visits and office visits, and I'm excited to meet even more of you in the months ahead!

As I have stated before and as you've hopefully observed from our discipline and diligence amidst multiple church activities, LUMC is continuing to practice the health and safety suggestions of the wearing of face coverings and the practice of social distancing. Consequently, as we get together one to one through our pastoral/parishioner visits, either at the church office or in your home, please know that I am very comfortable wearing a mask in any and all settings.

I look forward to hearing from you as we plan our "get acquainted" visit. My cell number is: 843-685-3659. Please call anytime - and if you don't get me directly the first time, please leave a voice mail so that I can get right back to you! Hope to hear from you - and see you, soon!
- Pastor Kim

THANK YOU!

DAYLIGHT SAVINGS TIME

Daylight Savings begins next Sunday. That means you need to move your clocks ahead one hour at 2 a.m. Sunday, March 14th, and we "lose" an hour of sleep as we "spring forward."
