*"Let us therefore celebrate the festival, not with the old leaven, the leaven of malice and evil, but with the unleavened bread of sincerity and truth."- 1 Cor. 5:8 ESV*

*"And bring the fattened calf and kill it, and let us eat and celebrate. For this my son was dead, and is alive again; he was lost, and is found. And they began to celebrate."- Luke 15:23-24 ESV*

If someone asked you what the word ... CELEBRATE ... means to you, what answer would you give?

Well of course, being the "word geek" I claim to be, I looked it up!

Here's what the Google search, "Oxford Languages", has to say about the word "celebrate":

"acknowledge (a significant or happy day or event) with a social gathering or enjoyable activity; reach (a birthday or anniversary); perform (a religious ceremony) publicly and duly, in particular officiate at (the Eucharist); honor or praise publicly."

So, what have you celebrated recently? I think many of us would agree that there hasn't been a whole heck of a lot to celebrate in our lives over the past year or so.

Oh sure, we may have celebrated birthdays or anniversaries, engagements or announcements of pregnancies, graduations and job promotions and retirements, but even most of those celebrations have been somewhat stifled due to the current state of our uber cautious world (with good reason!).

When I look back over the past few months, most particularly since, let's say, Easter Sunday, I think about all the things we've been invited to celebrate at LUMC!

Of course, we've celebrated the miracle of our Risen Lord! We've celebrated the graduation of our Preschool students. We've celebrated the return of some of our Adult Sunday School classes. We've celebrated the presence of the Holy Spirit on the Day of Pentecost. We've celebrated the Baptism of several members of our LUMC faith family as well as the Confirmation of seven of our LUMC youth. We've celebrated the return of our Wednesday morning Men's Prayer group.

We've celebrated a return to worship in our beloved LUMC sanctuary. We've celebrated 171 years as an active and on fire church in the Lexington community. And by the time this newsletter reaches you, we will be preparing to celebrate the Commissioning of our Associate Pastor at AC2021, as well as the graduation of our LUMC High School seniors on Sunday, June 6th!

### Celebrate, cont....

Wow ... I guess maybe we DO have MORE TO CELEBRATE than we might have imagined! Indeed, MORE to celebrate as ... children of God ... members of a community of faith ... and fellow Christian neighbors in this space we call Planet Earth!

Hence, in the midst of all of this amazing abundance of joy and celebration, I'd like to offer you a proposition ...

Let's CONTINUE to CELEBRATE! Throughout the upcoming summer months, Lexington United Methodist Church will CELEBRATE a summer worship series theme entitled:

**CELEBRATION SUMMER 2021!** And we'd like you to join us for as much of our celebration as possible! Throughout June we will be celebrating our High School and College graduates; we'll be celebrating our unity as the Church of Jesus Christ; we'll be celebrating our heavenly Father and our earthly fathers; and we'll be celebrating our relationships as fellow brothers and sisters in Christ Jesus. As we move into July, we'll continue the celebrations ... by celebrating our freedom; we'll also celebrate our opportunities to be a church in mission; and we'll celebrate the gift of our families!

And thanks be to God, our celebrations aren't just limited to worship! As you'll note by reading through our June HOF, through the multiplicity of ministries LUMC offers, the summer months ahead will provide celebrations for our Youth members through their Come to the Water gatherings, as well as through their mission trips.

Beginning as soon as June 13th, our LUMC Children's Ministries will be celebrating all throughout the summer as well, with their Kick-off Event after church, along with their Creation Care Day Camp in June, followed by their Water, Water Everywhere Celebration in July!

Wow! I guess my greatest prayer for our LUMC faith family over the next several months is to "wear ourselves out in praise and celebration FOR Jesus, and WITH one another!"

I hope you will consider joining us!

After all, as the Psalmist proclaims ... *"this is the day that the Lord has made; let us rejoice and be glad in it!"* - Psalm 118:24

Peace and Blessings -

- Pastor Kim

During the summertime, the Midweek Vespers worship services will be held once a month – specifically on the **third Wednesday** of each of the months of June, July, and August. Those dates are: **June 16, July 21, and August 18**. All are invited to join us for this 30 minute service of song, scripture, and prayer.

## NEW PENTECOST STUDY COMING for JUNE AND JULY!

Christians today are wringing their hands over the church's declining influence, even as we become stuck in defending and protecting the church's traditions. So, is there a way through this dilemma?

Well, perhaps we can find our answer in Paul's letter to the church in Galatia! According to theologian Elaine Heath, Galatians can help us Christians navigate the rapid culture shifts in which we find ourselves. We can learn from Paul how to be open to the Holy Spirit who gifts and calls people to apostolic, prophetic, and evangelistic ministry that looks VERY DIFFERENT from what we in the inherited American church are used to.

Rather than polarizing ourselves between the traditional church and the other emerging forms of church, we can learn from Paul, to honor the revelation (literally, the revealing) of Jesus Christ wherever that happens, especially among marginalized people whom Jesus called "the least of these".

Interested? Beginning **June 2nd**, please join us every **Wednesday at 10:30am** in the LUMC sanctuary for this new Pentecost study. A second and identical version of this Study will be offered every **Wednesday evening at 6:30pm**, also in the LUMC sanctuary. Additionally, a recorded version of this Study will be posted weekly on our LUMC website. No need to register! Just plan to join us June 2nd, morning or evening! Talk to Pastor Kim for further details: [lkeanes@umcsc.org](mailto:lkeanes@umcsc.org)

## GET YOUR WALKING SHOES LACED UP!

- Has it been just a little too long since you've gotten some fresh air?*
- Has it been just a little too long since you've gotten your heart pumping?*
- Has it been just a little too long since you've exercised your arm and leg muscles?*

Well, please think about joining us for our new LUMC Walking Group -the **Walking Warriors!** Beginning **Wednesday, June 2nd**, we will meet every **Wednesday and Friday morning at 7:30am** at the Gibson Road Soccer Complex to "walk the circle" as many times as we feel able! This circle route has slight inclines, several straight-aways, and a few detour options, and it also has some benches along the way!

We will meet at the outdoor picnic shelter in the Parking Lot (near the public restrooms). We will share in a very brief devotion and prayer, and then participants will be invited to walk and fellowship together for however long they wish, between 7:30am and 8:30am. If you can't join us right at 7:30am, show up whenever you can and join the party! Our walking pace will be established by the group who leads the way each day!

If you have questions or need more information, please contact Pastor Kim. Pastor Kim will serve as the "contact person" just in case we have some days when we may have threatening weather. Pastor Kim's cell number is: 843/685-3659. Sign up with Pastor Kim via a call or text, or simply show up on Wednesdays/Fridays and we'll exchange contact information at that time. Hope to see you there!

We have many reasons to celebrate this June as we recognize the milestones in our church members' lives.

We are happy for you and rejoice with you !

He is your **praise** and He is your **God**, who has done these **great** and **awesome** things for you which your eyes have seen.

## NEXT STEPS IN LUMC'S RETURN TO CHURCH PROCESS

After a lengthy and lively discussion at LUMC's most recent Church Council meeting May 25th, a decision was made to re-enter the LUMC sanctuary. This decision by the Church Council came following a recommendation by LUMC's Covid-19 Committee. Recent updates by the CDC and the South Carolina Conference of the United Methodist Church have brought us to the long-awaited time when we can relax many of our Covid-19 protocols. From the outset of the Pandemic, LUMC's Covid-19 protocols have been focused on operating as normally as possible while making Lexington UMC a safe place to worship, to be in ministry, and to serve God and neighbor. We have sought to love our neighbor as ourselves by focusing on not excluding anyone and keeping the most vulnerable safe. As we take this much anticipated Next Step of re-entering our beloved LUMC sanctuary, the 28 Church Council members in attendance at the May 25th meeting voted 27-1 in favor of the following statement regarding LUMC's Next Steps protocol:

***The wearing of face coverings is still recommended to protect members of Lexington United Methodist Church who are not fully vaccinated because of personal, age related, or health related reasons.***

As we move forward over our shared fellowship as a family of faith, please be aware of these additional changes to LUMC's prior Covid-19 practices and protocols: Three Sunday worship services will be offered each week—**8:30am – Traditional Worship in Sanctuary; 11am – Contemporary Worship in Ministry Center/Wesley Hall; 11am – Traditional Worship in Sanctuary**

Seating at all worship services will be at the discretion of those in attendance. However, we ask worship attendees to **maintain a three foot interval (a full arm's length) from those around you if you do not share the same household.** We ask that **physical contact (hugs, handshakes, etc.) be limited** to protect everyone. Due to the distance between the worship activity space and the congregational seating, all worship leaders will remove their masks when performing worship activities such as speaking, singing, etc.

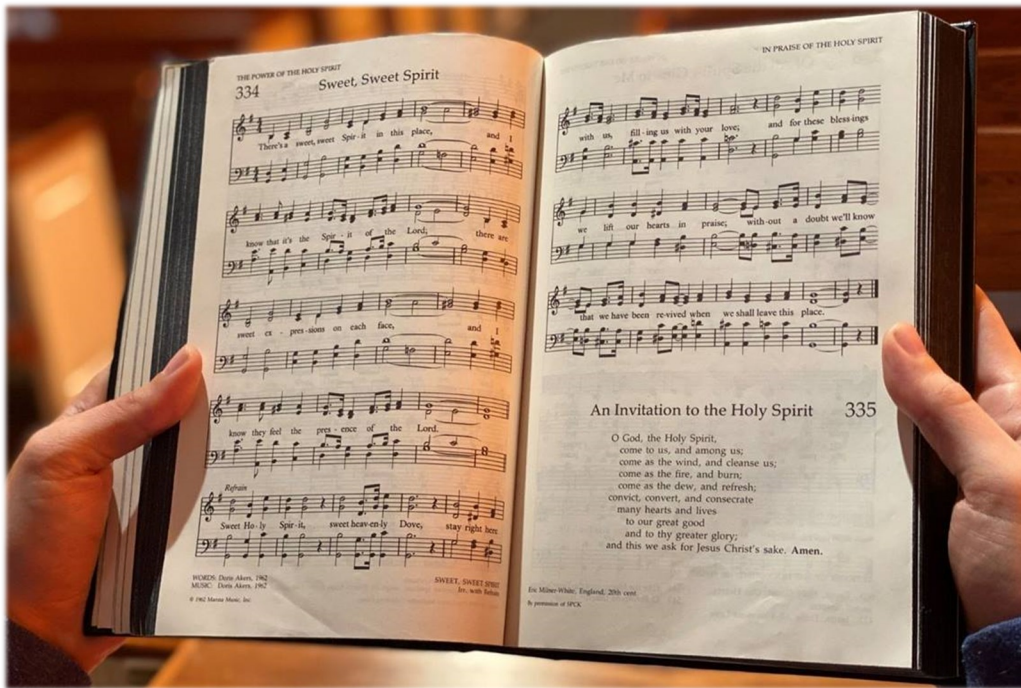

An **ionizer was installed** on May 7th in the LUMC sanctuary to enhance the flow of fresh air. Additionally, the HVAC system in the sanctuary will be set on FAN mode during all activities within the sanctuary. Bulletins, hymnals, and songbooks will be available at our worship services. Attendance registration pads will be available in the pews. Offering plates will be distributed during the Offertory. Holy Communion will be served at frequent intervals continuing to use the individual pre-packaged elements. One Traditional worship service and one Contemporary worship service will be live-streamed weekly.

Adult Sunday School classes are currently being offered per the arrangements of each individual class. No Children's Sunday School classes are being offered at this time. However, Children's Church is offered during the 11am worship services. Additionally, Nursery care is offered during the 11am worship services. Adults volunteering in the Nursery will continue to wear face coverings as Nursery-aged children cannot yet be vaccinated and they are not yet old enough to wear masks. Each child's temperature will be checked upon arrival and if any child's temperature registers above 99.8 degrees, that child will not be allowed to stay in the Nursery.

For further information regarding the latest guidelines Lexington UMC is utilizing to make our protocol decisions, please go to: [www.umcsc.org/Covid-19BestPracticesforUMCSCChurches](http://www.umcsc.org/Covid-19BestPracticesforUMCSCChurches) ; [www.cdc.gov/coronavirus](http://www.cdc.gov/coronavirus) ; [scdhec.gov/covid19](http://scdhec.gov/covid19)

As evidenced from our past 15-month journey through an ongoing global pandemic, these decisions are challenging, complicated, and conflicting. But as a faith community who has been celebrating the love and the grace and the abundance of Jesus Christ for over 171 years, our desire is to continue to move forward in obedience to the Spirit's leading. Hence, may we all keep each other in prayer as we attempt to work together in love, as the Body of Christ in this world.

## Sweet, sweet spirit

*“Finally,” Akers recalled, “I was compelled to say to the choir, ‘We have to go. I hate to leave this room and I know you hate to leave, but you know we do have to go to the service.’*

*But there is such a sweet, sweet Spirit in this place.”*

United Methodist hymn no. 334, “Sweet, Sweet Spirit,” was inspired when Doris Akers, legendary gospel music songwriter and choir director, insisted her choir spend more time praying. Photo by Steven Kyle Adair at Glendale United Methodist Church, Nashville, Tenn.

One choir director’s insistence that her singers weren’t prayed up enough resulted in a beloved United Methodist hymn, “Sweet, Sweet Spirit.”

On a Sunday morning in 1962, the story goes, Doris Mae Akers would not dismiss the choir members, feeling that they needed to spend more time praying before entering the worship service.

“You are not ready to go in,” she is quoted as saying, when discussing the origin of no. 334 in “The United Methodist Hymnal.”

As was the custom, Akers, director of the Sky Pilot Choir in Los Angeles, prayed with choir members before every performance, asking God to bless their songs.

This particular morning, she asked her choir members to pray again. As they fervently prayed, she hesitated to stop the impromptu prayer meeting, although the pastor was waiting on them before starting the service.

The phrase stayed with Akers and she wrote the hymn the next day.

The refrain, “Sweet Holy Spirit, Sweet heavenly Dove,” was inspired by Matthew 3:16-17, Akers said. The scripture, about Jesus’ baptism, reads, “he saw the Spirit of God descending like a dove, and lighting upon him; And lo a voice from heaven, saying, This is my beloved Son, in whom I am well pleased.” (KJV)

An instant hit

“Sweet, Sweet Spirit” was added to the “The United Methodist Hymnal” in 1989, immediately becoming a favorite.
