

United
Women
in Faith

Purpose

To know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

We believe love in action can change the world.

New Name, New Logo, But Same Focus

On March 3, 2022, United Methodist Women became United Women in Faith.

We connect and nurture women through Christian spiritual formation, leadership development, creative fellowship, and education so that they can inspire, influence and impact local and global communities.

Along with the new name comes a new logo. The new logo represents the past, present and future of our organization. The symbol refers to our Christian roots. The multicolored pieces of the cross coming together represent the diversity we aim for and the inward and outward reflection we engage in as women of faith. The typography is solid, modern and bold, showcasing our power to support causes in which we invest.
