Trustworthy by Lisa Terkeurst

When hard times come and it seems God is deviating from the plan we assume our life should follow, we're more likely to want to tame God, not trust Him. It's then that we begin to press into our ways and our own timing. No human can carry the weight of being their own god, but so many of us try. In this 6-session study of 1 & 2 Kings, join Lisa TerKeurst in Israel as she honestly reveals the places of distrust in her own heart while exploring the deeply applicable Scriptures that will teach us how to truly trust God.
