

A WORD FROM PASTOR MACK

Blessings to you, sisters and brothers in Christ at Lexington United Methodist Church! Mother’s Day, which is observed every second Sunday of May, will be here on May 12th. It is usually a pretty full church day, so come early to get a good seat! In the United States, the quest for a recognized Mother’s Day began in 1905 under the encouragement of Anna Jarvis. Anna initiated the first Mother’s Day service of worship at Andrews Methodist Episcopal Church in West Virginia. Anna’s campaign for a day to honor the influence of all mothers began the same year her own mother Ann passed. Ann Jarvis was a very influential peace activist and health advocate, who had cared for wounded Civil War Soldiers from both sides. By 1911, all US states recognized the holiday. It is important to remember that Mother’s Day began as a liturgical service in a Methodist church!

For this reason, we will have a recognition of mothers on that day and share also in the sacrament of Holy Communion. We are grateful for the loving influence of all the mothers in our church and community! We are also grateful to be a very tight and loving church family here in LUMC, and I appreciate what you all do very much!

God bless you all,
Rev. Mack McDowell

OUR 4 PRIORITIES

On March 2, LUMC hosted the United Methodist Columbia, SC District members, Columbia District Superintendent Rev. Fran Elrod, and SC Conference Bishop L. Jonathan Holston for an information session concerning the **4 Priorities set forth by the South Carolina Conference of the United Methodist Church:**

- 1. Developing Lay & Clergy Leadership and Lay-Clergy Partnerships** - We will emphasize raising up effective clergy leadership in our local congregations, recruiting and training lay leadership, and establishing strong lay-clergy partnerships.
- 2. Engaging Our Communities** - We exist to give ourselves away. Our outreach and mission should be done with the community, not to the community. We will help congregations connect with their communities and build partnerships with other churches and agencies.
- 3. Connecting With & Growing Disciples** - The mission of the church is to make disciples of Jesus Christ for the transformation of the world. Discipleship begins with relationship. We commit to developing authentic, organic, and consistent relationships with our neighbors.
- 4. Measuring & Evaluating Current Realities & Missional Possibilities** - The beginning of transforming the church is to measure and evaluate its current reality. We must understand who we are, who our neighbor is, and what we are here for in order to determine what we are going to do about it.

Our purpose and mission is still the same—developing Christian discipleship. We must develop pathways that transform the world through Christ. Looking forward, consider this: **what is the greatest ministry opportunity for LUMC in the community and what can you do to help LUMC live into that opportunity?**

Visit umcsc.org/4p for more information about Our 4 Priorities.

Children's Ministry

NATIVE AMERICAN MINISTRIES SUNDAY & ELDER BASKETS

Native American Ministries Sunday is observed on April 14th in the United Methodist Church. LUMC was blessed to have **Zan Tracy Pender**, Chair of the South Carolina United Methodist Native American Committee, join our congregation on March 17th to share about the struggles of Native Americans in today's society. For the last 4 years, LUMC supported this ministry by supplying items for elder baskets. As a thank you "a'ho" for our support, Pender presented **Lynn Brewer**, LUMC Native American Ministries Coordinator, on behalf of LUMC, with a friendship necklace. LUMC will collect items again for elder baskets in the fall. Contact Lynn Brewer at 803-422-8217 with questions.

EARTH DAY & EARTH ADVOCACY

Earth Day is April 22 and is an opportunity to reflect on the goodness of God’s creation and the human responsibility to steward it through worship, education and action. Many may believe that the task of being faithful stewards of God’s creation is too large for one person, one congregation, or even one annual conference to make a difference. In reality, until we see the call to environmental stewardship as part of God’s call in our own lives—individually and collectively—lasting change is out of reach. **How are you answering God’s call to environmental stewardship?**

One way we can answer the call is to follow local guidance for proper recycling and waste disposal. Lexington County offers numerous resources on their website and hosts many special drop-off events for Lexington County residents.

John 20: 19-22 *When it was evening on that day, the first day of the week, and the doors of the house where the disciples had met were locked for fear of the Jews, Jesus came and stood among them and said, "Peace be with you." When he had said this, he breathed on them and said to them, "Receive the Holy Spirit."*
