## WORLD COMMUNION SUNDAY

Today is World Communion Sunday which celebrates our oneness in Christ with all our brothers and sisters around the world. World Communion Sunday is also a denomination-wide celebration emphasizing the value of education and training. We commemorate this day by giving generously to support young adults and make a global impact for Christ. Half of the offering benefits World Communion scholarships for undergraduate and graduate students from the U.S. and other countries. The remainder provides grants to support training for worldwide inclusion, diversity, equity, and access. Please give as you are led.
