Living God's Word. Sharing God's Love

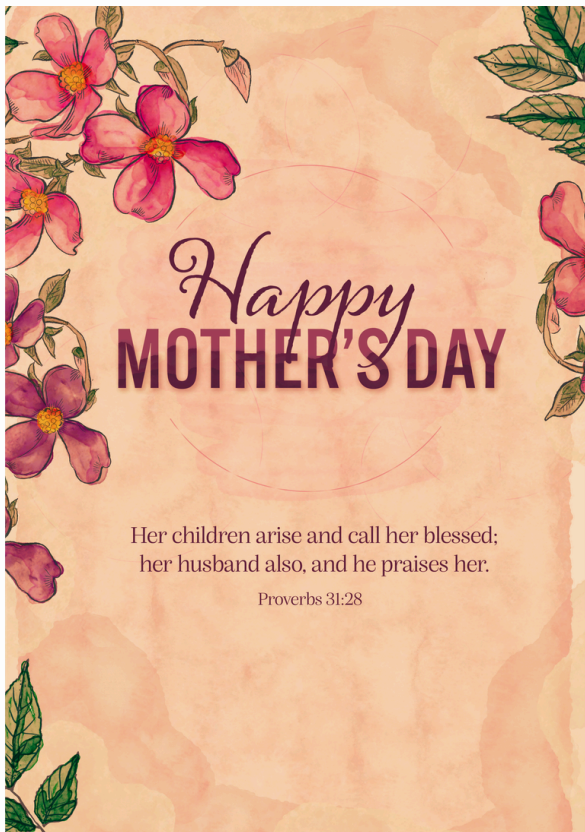

A Word from Pastor Mack

Blessings to you, sisters and brothers in Christ at Lexington United Methodist Church! Your church is blessed to continue thriving in mission and ministry, and we continue to receive new members, praise God! Attendance for Easter services was very blessed! There are more blessings to come, as Mother's Day will be here on 10 May. It is usually a pretty-full church day, so come early to get a good seat! Mother's Day first began as a liturgical service within the Methodist church and spread through our society from there. We look forward to recognizing mothers on that day and sharing in the sacrament of Holy Communion.

Father's Day is also just around the corner, and we will recognize fathers on 21 June. In 1972, Father's Day became an official U.S. holiday. Just as two Methodist women are credited with creating the Mother's Day holiday in the U.S., the inspiration for Father's Day also came from a Methodist woman, Grace Golden Clayton. Isn't it amazing to know that Methodist women initiated both Mother's Day and Father's Day? We are grateful for the influence of loving mothers, fathers and families, which makes us a very tight and loving church family here in LUMC! I appreciate what you all do very much!

God bless you all,

Mack McPowell

Please be in prayerful consideration of what God is calling you to give to help Epworth make a difference in the lives of children and families every day.

HOW CAN WE HELP? Epworth provides care for children and families in our community who have experienced trauma through abuse, neglect, and loss. This care helps to break the destructive cycle and sets them on a better path. For more information, please visit Epworth online at www.epworthsc.org.

Pentecost, | May 24

Pentecost is another high holy day of the Christian calendar. Called by many the birthday of the church, Pentecost represents a passing of the mantle of sorts—from the Incarnate Christ to the ever-present Spirit, the reminder of the God within, the sustainer, the teacher, the strengthener. **Pentecost is a day of celebration for all that God has done and is doing within the life of the church! Think Red!**

Church Giving

Do you remember the different ways you support Lexington UMC?

Our vows when we join the church have four parts: (1) to confess Jesus Christ as Lord and Savior; (2) to believe in the Christian faith as contained in the Old and New Testaments; (3) to support The United Methodist Church; and (4) to uphold the local congregation with our prayers, presence, gifts, service, and witness.

We are a supportive, praying congregation. We serve through the missions we support, we witness to our community through our mission work and sharing our good works with the community. Giving allows us to reach out to our community.

Why do we give?

We believe that there is joy in giving, and the greater the generosity the deeper the joy. We acknowledge that we worship God and not money! Giving an offering frees us from the bondage that money can have over our lives. Tithing then encourages us to focus on God as the source of our strength and abundance, rather than our own achievements or financial assets. Tithing leads to our spiritual well-being and growth in our relationship with God and others in the world around us.

BIKE4LIFE 2026

The 2026 Bike4Life is **May 2nd**, in the LUMC parking lot.

The event starts at 9:00 with the trike race beginning at 9:15 (but participants should be there 15 minutes before their event).

There are events designated for specific age groups all morning, with the last one ending at 12:00pm.

Food trucks will be at the event until 12:30!

The entry fee is \$25 per person donated online to the Pathways SC Bike4Life donation page, with a limit of \$75 in entry fees per family.

All attendees will also be entered into the live raffle with prizes from various businesses in Lexington, including but not limited to Bella Nails and Spa, the Kindred Boutique, and Pelican SnoBalls.

I host an annual bikeathon fundraiser called **Bike4Life**, this year being the third event. The driving force behind this fundraiser is my 9-year-old cousin Jack Timmerman, who was diagnosed with Batten Disease in late 2023. This is an extremely rare neurological disorder that has already caused Jack almost complete blindness, with many more symptoms expected in the next few years he has been given to live.

The year I founded Bike4Life, I wanted to do something for him that not only helps Battens Disease patients but also all kids and families struggling with childhood illnesses and life-threatening diseases. In the last two years combined, I have raised over \$5,700 for Ronald McDonald House Charities and Make-A-Wish Foundation.
